Case 2:12-cv-02144-GMS

The Honorable G. Murray Snow

Motion for Reconsideration

15 Under authority of LRciv7.2(g)

16 **NOTICE TO THE HONORABLE G. MURRAY SNOW**

17 Defendant does **NOT** expect special consideration because he is not a lawyer,
 18 however I demand equal protection under the law.

19 On the 14th of November you denied my request for access to the courts cm/ecf
 20 system. I object. You gave no reason whatsoever. I can cure any deficiency in the
 21 'application'. I prepared a well written and complete motion, but the clerk recommended
 22 that I not file it because the judge only looks at applications on a court form. So I hastily
 23 filled out the application as my ride only put enough money in the parking meter for me to
 24 file the motion and not to fill out an application.

25 You denying me access to the courts electronic filing system denies me the right to
 26 defend myself as the hardship it puts upon me is insurmountable. I am destitute. Because
 27 of the extent of this downtrodden economy it does not look like that is going to change.
 28 If it were not for the damages I am claiming in the counterclaim I would just let this case
 default as I have no money, no job, no property, I don't even have a car! That would not

1 be justice and justice is what I seek.

2 On November 30, 2009 The Honorable Roslyn O. Silver granted me cm/ecf
3 privileges for case 2:09-CV-01915-PHX-ROS I used the electronic filing system
4 throughout the case. I now have access to better software, better computer and the same
5 internet connection. Please tell me: What changed that justifies your denying me access
6 now?

7 I will find a way to file and serve my answer and counterclaim by paper, after that
8 I don't know.

9

10 I swear or affirm and declare or certify, verify or state under penalty of perjury that the
11 foregoing is true and correct so help me God.

12 Executed this _____ day of November, 2012.
